

RESIDENTIAL STREET REHABILITATION, I-94 (AREA C)

ADVANCE NOTICE OF CONSTRUCTION

CITY OF TORRANCE

Dear Resident:

This notice is to inform you that starting Monday, March 24, 2014 the City's contractor, Shawnan, will begin **repairing damaged sidewalk, walks, ramps, cross-gutters, driveway approaches, curb and gutter in your area**. This is part of the Residential Street Rehabilitation, I-94 (Area C) project which will repair concrete and pavement within the City right-of-way.

Work will occur on weekdays between the hours of 8:00 a.m. and 4:00 p.m.

Portions of sidewalk, on the project streets, will be closed to pedestrians during construction, as sidewalk, curb and gutters are repaired. One side of the street will remain open to pedestrians at all times.

ACCESS AND PARKING:

Temporary No Parking signs will be posted at least 48 hours in advance of the work. Please obey the signs or your vehicle may be towed.

- During the working hours, all vehicles will be restricted from parking in the construction area and may be restricted from entering/exiting your driveway. At the end of the day, construction areas will be accessible.
- If you intend to use your vehicle during the work hours, please park your vehicle outside of the construction area. Please contact the City if you need assistance in locating an alternate parking area.

If you have any questions about the work, please contact the City's Project Engineer. We thank you for your cooperation and patience during the construction. Although inconveniences are expected, it is our goal to complete the work as quickly as possible.
